

20FT HIGH CUBE SHIPPING CONTAINER

If you need all the flexibility and versatility of the 20ft Shipping Container, but with just a little more head-room, the High Cube is just the thing. It's got the same footprint as the standard option, but with an extra 1ft (30cm) in the ceiling. So you can store another 4m³ worth of stuff.

Rough 20ft High Cube Shipping Container dimensions

6.1m L x 2.5m W x 2.9m H

37m³ cubic capacity

20FT HIGH CUBE SHIPPING CONTAINER

Safe and secure

- Lock-up-and-leave lockbox system
- Floor and ceiling lashing points to help keep goods safe
- GPS tracking system option.

Built to handle the Kiwi climate

- Made from weathering carbon steel
- Pest and vermin-proof
- Watertight and wind-resistant.

Cleverly customisable

- Switch from wooden to steel flooring
- Add windows, doors, or ventilation
- Install smart extras like shelving, power, lighting, and more.

Why Choose a 20ft High Cube Shipping Container?

After the 20ft Container, the next size up is the 40ft.

That's a pretty big jump. So if all you need is a little more room, the High Cube is the perfect solution. The extra 30cm ceiling height makes it ideal for storing taller goods, or creating a work-space that feels that bit more spacious.

20ft High Cube Shipping Containers for sale

Why choose to buy?
